Companies Need to Stop Pretending It's Business as Usual ...

Business as usual is a term for the continuation of normal processes and procedures during an extraordinary period or event. For example, a company may continue business as usual after being acquired by another firm so that sales don't drop, customer service doesn't suffer and investments in new developments aren't lost. The term is attributed to Winston Churchill with his statement: "The maxim of the British people is business as usual" in the early days of WWI.
