Reader Steve Lamont has provided some enlightenment. It turns out that Apple and Swift did indeed buy the domains — you can tell by using a “whois” service. “Neither of these domains has any IP addresses assigned to them, however, so that’s why you can’t find them on the internet.” So the “get.sucks” hush money model works.

Can I Tell you About Anxiety is a fairly short, pamphlet type mini book meant as an introduction to begin the process of dealing with anxiety issues for a child. It is not a self help book. An avatar character named Meg discusses anxiety, from types with examples to how to get medical help.

Can I tell you about Anxiety?: A guide for friends, family ...

You question your intention before listening or telling your stories. If you

feel that this friend is going to listen to you with detachment and help you look inside, then tell. If this person can make you feel like the world is a terrible place or you are a loser, then don't! At the end of the day YOU but only YOU can take charge of any situation.

The Danger of Talking About Your Problems

Interviewers will sometimes start an interview with an open-ended question like, "Tell me about yourself." This question is a way to break the ice and make you feel more comfortable during the interview process. However, some people might find this—and other interview questions about you —slightly stressful.
