Dear Madam President: Jennifer Palmieri

THE NUMBER ONE NEW YORK TIMES BESTSELLER DEAR MADAM PRESIDENT is an empowering letter from former White House Communications Director Jennifer Palmieri to the first woman president, and by extension, to all women working to succeed in any field. By using lessons learned during her experiences with Hilary Clinton, President Obama, and Elizabeth Edwards - to name a few - Palmieri through each chapter creates a forward-thinking framework of inspirational and practical advice for all women everywhere - from boardrooms to living rooms - who are determined to seize control of their lives, their workplaces, and their country. DEAR MADAM PRESIDENT will turn the results of the 2016 election into something incredibly empowering for future female leaders and independent thinkers everywhere. We haven't wrapped our heads around what it should look like for a woman to be in the job of President. Our only models are men. This of course was seen during the Hillary Clinton campaign, and no one knows this better than Jennifer Palmieri. While wildly disappointed by the outcome of the election, Palmieri optimistically argues in the book that the Clinton candidacy and all she experienced on the campaign trail - confusion, admiration, hate, love, acceptance, rejection - can now open the country up to reimagining women in leadership roles. And that is what Palmieri takes on in this book - redefining expectations for women looking to lead and creating a blueprint for women candidates and leaders to follow.

Redefine the expectations for women in leadership roles with this #1 New York Times bestselling volume of inspiring advice by the former communications director for Barack Obama and Hillary Clinton. Framed as an empowering letter from former Hillary Clinton Communications Director Jennifer Palmieri to the first woman president, and by extension, to all women working to succeed in any field, Dear Madam President is filled with forward-thinking, practical advice for all women who are determined to seize control of their lives-from boardroom to living room. As a country, we haven't wrapped our heads around what it should look like for a woman to be in the job of President. Our only models are men. While wildly disappointed by the outcome of the 2016 election, Palmieri argues that our feelings-confusion, love, hate, acceptance-can now open the country up to reimagining women in leadership roles. And that is what Palmieri takes on in this book-redefining expectations for women looking to lead and creating a blueprint for women candidates and leaders to follow. Dear Madam President will turn the results of the 2016 election into something incredibly empowering for graduates, future female leaders, and independent thinkers everywhere.

Dear Madam President by Jennifer Palmieri: Conversation Starters Jennifer Palmieri, former Communications Director of Hillary Clinton during the 2016 presidential elections, thought that it was no big deal for America to elect a woman president because she thought it was widely acceptable for women to be equal to men. She soon realizes that, in fact, women's rights is still a new phenomenon to Americans. Hillary's 40 years' success as a politician is unprecedented. She lost because people did not trust her due to her being a woman. In this book, Palmieri writes to the future Madam President and tells her to brace herself. This #1 New York Times bestseller is hailed as a new map for future women leaders. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the study of the book, either individually or corporately - Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book. If you have not yet read the original book, we encourage you to before purchasing this unofficial Conversation Starters.

From Barack Obama's former communications director comes a colourful account of how politics, the media, and the internet changed during the Obama presidency and how Democrats can fight back in the Trump era. The 'Decade of Obama' (2007—2017) was one of massive change that rewrote the rules of politics in ways that are only now beginning to be understood. Which is why all pundits got the 2016 presidential election wrong). Yes We (Still) Can looks at how Obama navigated the forces that allowed Trump to win the White House, becoming one of the most consequential presidents in American history, why Trump surprised everyone, and how Democrats can come out on top in the long run. Part political memoir, part blueprint for progressives in the Trump era, Yes We (Still) Can is an insider's take on the crazy politics of our time. Pfeiffer, one of Barack Obama's longest-serving advisors, reveals never-before-told stories ranging from Obama's presidential campaigns to his time in the White House, providing readers with an in-depth, behind-the-scenes look at life on the front line of politics.

Take action and shatter the glass ceiling with this empowering and optimistic feminist guide from the #1 New York Timesbestselling author of Dear Madam President. In an era marked by a frustrating sense of stagnation for women, Jennifer Palmieri has found a way to move beyond the bounds of patriarchy. Building on the lessons shared in Dear Madam President, Palmieri argues that women have gone as far as they can in a world made for men, and it is time to break from it. She Proclaims declares what most women know in their souls but have yet to say out loud-that they deserve something better than a life where men hold a vast majority of power and women continue to be undervalued. It is a manifesto for the second century of feminism that no longer chases a man's elusive path but proclaims the value, ambition, and emotion women have had all along to change their world by changing how they engage in it. This book celebrates the accomplishments and history of the women's movement, and through personal reflections and stories of other inspirational female leaders, Jennifer shares concrete advice and insights she's learned from her journey out of a man's world that will inspire you to boldly chart your own course in life.

Advice and inspiration for women of color seeking new heights of influence, from the "incredible" top Latinx advisor to President Obama (Jennifer Palmieri, author of Dear Madam President). Women of color today are contributing to an unprecedented wave of "firsts"-whether they are the first in a family to attend college, the first to serve as CEO of a Fortune 500 company, or the first in public office, women of color are reaching new heights of influence. Cecilia Muñoz was a first, too, and she knows what it means to make her way without exemplars to follow. The first Latinx to lead the White House Domestic Policy Council, Muñoz draws lessons from the challenges she faced as the senior Hispanic person in the Obama White House and as a longtime powerful voice in the Civil Rights Movement. She shares her insights, along with those of some extraordinary women of color she met along the way, as an offering of inspiration to women of color who are no longer willing to be invisible or left behind. Full of invaluable lessons about working through fear, facing down detractors, and leading with kindness, Muñoz provides the thoughtful insight and tactical tools women of color need to be successful-without compromising who they are.

Ripples of Hope is a middle-grade nonfiction project about the United States' election process. You may not have a vote yet, but you do have a voice! In November 2020, one of the most pivotal elections in United States history will take place. The American people will choose our next president—and you have the power to play a major role in that choice. Now more than ever, young people around the world are standing up and speaking out. As President Barack Obama's campaign manager, David Plouffe saw firsthand that nothing is more powerful than young people believing deeply in something. With an expert's overview of the presidential election process and concrete ways to get involved, Ripples of Hope is a book for this generation—impassioned, creative, and ready to make a difference.

INSTANT NEW YORK TIMES BESTSELLER "[The] rare biography of a public figure that's not only beautifully written, but also shockingly revelatory. " — The Atlantic A vivid biography of former First Lady Barbara Bush, one of the most influential and under-appreciated women in American political history. Barbara Pierce Bush was one of the country's most popular and powerful figures, yet her full story has never been told. THE MATRIARCH tells the riveting tale of a woman who helped define two American presidencies and an entire political era. Written by USA TODAY's Washington Bureau chief Susan Page, this biography is informed by more than one hundred interviews with Bush friends and family members, hours of conversation with Mrs. Bush herself in the final six months of her life, and access to her diaries that spanned decades. THE MATRIARCH examines not only her public persona but also less well-known aspects of her remarkable life. As a girl in Rye, New York, Barbara Bush weathered criticism of her weight from her mother, barbs that left lifelong scars. As a young wife, she coped with the death of her three-year-old daughter from leukemia, a loss that changed her forever. In middle age, she grappled with depression so serious that she contemplated suicide. And as first the wife and then the mother of American presidents, she made history as the only woman to see -- and advise -- both her husband and son in the Oval Office. As with many women of her era, Barbara Bush was routinely underestimated, her contributions often neither recognized nor acknowledged. But she became an astute and trusted political campaign strategist and a beloved First Lady. She invested herself deeply in expanding literacy programs in America, played a critical role in the end of the Cold War, and led the way in demonstrating love and compassion to those with HIV/AIDS. With her cooperation, this book offers Barbara Bush's last words for history -- on the evolution of her party, on the role of women, on Donald Trump, and on her family's legacy. Barbara Bush's accomplishments, struggles, and contributions are many. Now, Susan Page explores them all in THE MATRIARCH, a groundbreaking book certain to cement Barbara Bush as one of the most unique and influential women in American history.

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

In Dear Mrs. President, a child's letter to the first female President of the United States, becomes a symbol of hope and a touching tribute to all female leaders, everywhere. With no ambition too high, and no goal too large, Dear Mrs. President encourages kids to reach further, and dream greater.
