Heart of Darkness: Plot  
Overview | SparkNotes

The popular saying that “the sun never sets on the British Empire” was literally true. The main topic of Heart of Darkness is imperialism, a nation's policy of exerting influence over other areas through military, political, and economic coercion. The narrator expresses the mainstream belief that imperialism is a glorious

Conrad intentionally made Heart of Darkness hard to read. He wanted the language of his novella to make the reader feel like they were fighting through the jungle, just like Marlow fought through the jungle in search of Kurtz. Apocalypse Now is director Francis Ford Coppola's film based on the Heart of Darkness, but set in the jungles of Vietnam during the Vietnam War. Most critics agree that the film is an important examination of America's military involvement in Vietnam and

philosophical, independent-minded, and generally skeptical of those around him. He is also a master storyteller, eloquent and able to draw his listeners into his tale. Although Marlow shares many of his fellow Europeans' prejudices, he has seen enough of the world and has encountered enough debased white men to make him skeptical of imperialism.

Heart of Darkness

Introduction. We really  
can't say it better than  
Joseph Conrad himself. Heart  
of Darkness is: A wild story  
of a journalist who becomes  
manager of a station in the  
(African) interior and makes  
himself worshipped by a  
tribe of savages. Thus  
described, the subject seems  
comic, but it isn't.
