Praise For No Summit out of Sight: The True Story of the Youngest Person to Climb the Seven Summits... "Romero's incredible, inspiring story may not inspire all readers to become record-setting mountaineers, but it will motivate them to set sights on goals of their own to achieve."

A record-setting teen mountaineer recounts the story of how he successfully climbed Mount Everest at the age of 13 and completed all seven summits two years later, describing the inspiration, training and challenging work that enabled his achievements.

"The story of Jordan Romero, who at the age of 13 became the youngest person ever to reach the summit of Mount Everest. At age 15, he reached the summits of the world's 7 highest mountains"--

Jordan Romero climbed Mount Everest at age thirteen—and he didn't stop there. In this inspiring young adult memoir that includes color photos, he tells how he achieved such great heights. On May 22, 2010, at the age of thirteen, American teenager Jordan Romero became the youngest person to climb to the summit of Mount Everest. At fifteen, he became the youngest person to reach the summits of the tallest mountains on each of the seven continents. In this energizing memoir for young adults, Jordan, recounts his experience, which started as a spark of an idea at the age of nine and, many years of training and hard work later, turned into a dream come true. "The emotional pitch of the story remains high as Romero contends with extreme weather, frustration, exhaustion, and homesickness to reach, with almost palpable exhilaration, each peak" (Publishers Weekly).

#1 NATIONAL BESTSELLER • "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more—including Krakauer's—in guilt-ridden disarray, would also provide the impetus for Into Thin Air, Krakauer's epic account of the May 1996 disaster. By writing Into Thin Air, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of Into Thin Air includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since Into Thin Air's denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored The Climb, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters—a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."

Jordan Romero was a regular nine-year-old boy. He loved BMX biking, listening to music, hanging out with his friends and family, participating in school activities, and studying nature and reptiles. So why would he want to climb the world's tallest mountains? What made him decide to try something so dangerous and difficult? It all started when Jordan spotted a map of the famous "Seven Summits," the tallest mountains on Earth's seven continents, including massive Mt. Everest—the tallest of all. Jordan could not take his eyes off of that map; his head was filled with thoughts of snow-covered peaks, jagged rocks, billowing white clouds, and deep blue skies. Four years later, Jordan stood and gazed down at those peaks and cloudy skies from the 29,035-foot summit of Mt. Everest. He had reached his goal: to conquer the mightiest of mountains and inspire other kids to dream BIG! How did he do it? This is his story...

Literary fiction set in the Everest region in 1968 when the recent influx of tourism challenges traditions, friendships, and economics. Conflict between generations arises when the young desire what foreigners bring. The story includes an Everest expedition from a porter's point of view, Buddhist and animist rituals, Sherpa culture, Tibetan refugees, a love affair between an American journalist and Sherpa guide. It's the only work to dramatize the lives of Sherpas in fiction.

From award-winning author Sally Nicholls, her debut novel about a boy's last months with leukemia. 1. My name is Sam. 2. I am eleven years old. 3. I collect stories and fantastic facts. 4. I have leukemia. 5. By the time you read this, I will probably be dead. Living through the final stages of leukemia, Sam collects stories, questions, lists, and pictures that create a profoundly moving portrait of how a boy lives when he knows his time is almost up.

In a fascinating memoir by the first man to mount the peak of Everest, Hillary discusses the adventures that shaped his life, from the South Pole to the Ganges River. Reprint.

The only thing you'll find on the summit of Mount Everest is a divine view. The things that really matter lie far below. – Peak Marcello After fourteen-year-old Peak Marcello is arrested for scaling a New York City skyscraper, he's left with two choices: wither away in Juvenile Detention or go live with his long-lost father, who runs a climbing company in Thailand. But Peak quickly learns that his father's renewed interest in him has strings attached. Big strings. As owner of Peak Expeditions, he wants his son to be the youngest person to reach the Everest summit—and his motives are selfish at best. Even so, for a climbing addict like Peak, tackling Everest is the challenge of a lifetime. But it's also one that could cost him his life. Roland Smith has created an action-packed adventure about friendship, sacrifice, family, and the drive to take on Everest, despite the incredible risk. The story of Peak's dangerous ascent—told in his own words—is suspenseful, immediate, and impossible to put down.
