Every chapter is a gem, and it's full of anecdotes that will inspire readers to watch Casablanca again. One example: the movie's extras included Jewish refugees from Nazi Germany, some of whom ended up in Nazi uniforms ...

Round Up the Usual Suspects: The Making of Casablanca ...

But AlJean Harmetz makes a thorough accounting in Round Up the Usual Suspects: The Making of Casablanca/Bogart, Bergman, and World War II. My main takeaway from Harmetz is that years of good manners toward racism and fascism created a void in U.S. movies, so that when Japan bombed Pearl Harbor, Warner Brothers with the consci

Round Up the Usual Suspects: The Making of Casablanca ...

ROUND UP THE USUAL SUSPECTS is an intimate examination of the Nicky Kelly case. It also provides a panoramic view of the 1970s and the controversial reign of the Cosgrave Coalition. It moves from the shady world of paramilitary "fundraising" to the Cabinet table; from top-level garda meetings to dawn raids and midnight interrogations. The story of Nicky Kelly is the story -i never told before ...

Round Up the Usual Suspects - AbeBooks

"The usual suspects" has a specific and unambiguous origin. It was spoken by Captain Louis Renault, the French prefect of police, played by Claude Rains in the 1942 U.S. film Casablanca ". Well, I was wrong. That expression, and the extended "round up the usual suspects" existed in the USA prior to 1942 - in the early 1930s in fact.

"The usual suspects" - meaning and origin.

Round up the Usual Suspects some radical implications of Indonesian and Euro-American media coverage of "terrorist" attacks In Media and Political Violence

Round up the Usual Suspects

In late 1941, a play called Everybody Comes to Rick's went from being a standard World War II romantic suspense film to an exceptional movie, earning Oscars for Best Picture, Best Director, and Best Screenplay. Harmetz has written the inside story of the making of Casablanca.

TV shows that retain their popularity over the years do so for obvious reasons: good production values, good acting, and compelling storylines. But detective stories in particular also endure because they appeal to the gumshoe in all of us. America is obsessed with crime solving. Nancy Grace on CNN Headline News, Greta Van Susteren on Fox, and the seemingly annual recurrence of the courtroom sensation all testify to this fact. And these people and cases are able to reach their phenomenal status not simply because of the media—the media only demonstrates the enormous national appetite for this material. Rainer, Cold Case, CSI, and Law & Order have achieved their current popularity because they all respond to the same rational craving for crime, and do so with great skill and creativity. Round Up the Usual Suspects provides a comparison of the crime-fighting models and justice proceedings of each of these TV series. Each series has its own special crime-fighting niche, and each approaches its job with a different set of values and different paradigms of discovery and proof. Their separate approaches are each firmly grounded in different components of human nature: analytical reasoning, for instance, in CSI, memory in Cold Case, and teamwork in Law & Order. After examining each of the individual series in depth, Ruble goes on to investigate some of the historical antecedents in classical TV detective series such as The FBI and Dragnet. It is interesting to note that these crime-fighting methodologies are extensions of the way we all process information about the world. Ray Ruble here aims to increase our appreciation for the ingenious manner in which fictional cases are broken and convictions convincingly secured, and also illuminates the deeper human elements that lie under a more implicit spotlight in these runaway hits.

Round up the Usual Suspects

Every seven minutes, every day, someone in the Twitter world tweets a Robert Brault quote. The author, a contributor to magazines and newspapers in the USA for over forty years, has appeared in publications and venues ranging from Reader's Digest to the CBS TV series Criminal Minds to the Ivory soap wrapper. In this, the first published collection of his writings, he draws from the archives of his popular internet blog A Robert Brault Reader to offer original thoughts on a basketful of familiar subjects. So kick up your feet, pour yourself a cup, and discover the author who says of himself, "I make no claim to fame, since I figure it would end up in small claims court, anyway."

Round up the Usual Suspects

The mega-bestseller with more than 2 million readers, soon to be a major television series From the #1 New York Times bestselling author of The Lincoln Highway and Rules of Civility, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

A Los Angeles Times bestseller A New York Times Book Review "Editor's Choice" Selection "Even the die-hardest Casablanca fan will find in this delightful book new ways to love the movie they were certain they could never love more." "Sam Wasson, best-selling author of Fifth Avenue, 5 A.M. Casablanca is "[not one movie]." Umberto Eco once quipped; "[it is "[movies." Film historian Noah Isenberg's We'll Always Have Casablanca offers a rich account of the film's origins, the myths and realities behind its production, and the reasons it remains so revered today, over seventy-five years after its premiere.

Round up the Usual Suspects

Round up the Usual Suspects

Fans of Jason Reynolds and Sharon M. Draper will love this oh-so-honest middle grade novel from writer and educator Maurice Broadus. Thelonius Mitchell is tired of being labeled. He's in special ed, separated from the (normal) kids at school who don't have any "issues." That's enough to make all the teachers and students look at him and his friends with a constant side-eye. (Although his disruptive antics and pranks have given him a rep too.) When a gun is found at a neighborhood hangout, Thelonius and his pals become instant suspects. Thelonius may be guilty of pulling crazy stunts at school, but a criminal? T isn't about to let that label stick.
