Charles I was a loving father, but what became of his children after his execution in 1649? This meticulously researched history charts the fortunes of the Stuart princes and princesses in exile and after: Elizabeth, imprisoned during the Civil War; the dashing Henry, who died within months of his brother Charles's restoration to the throne; James, Charles's ill-fated successor; Mary, child bride of the Prince of Orange; and Henrietta Anne, the youngest, who married Philippe d'Orléans.

The fact that the English Civil War led to the execution of King Charles I in January 1649 is well known, as is the restoration of his eldest son as Charles II eleven years later. But what happened to the king's six surviving children is far less familiar. Casting new light on the heirs of the doomed king and his unpopular but indefatigable Catholic queen, Henrietta Maria, acclaimed historian Linda Porter brings to life their personalities, legacies, feuds and rivalries for the first time. As their calm and loving family life was shattered by war, Elizabeth and Henry were used as pawns in the parliamentary campaign against their father; Mary, the Princess Royal, was whisked away to the Netherlands as the child bride of the Prince of Orange; Henriette Anne's redoubtable governess escaped with the king's youngest child to France where she grew up under her mother's thumb and eventually married the cruel and flamboyant Philippe d'Orleans. When their 'dark and ugly' brother Charles eventually succeeded his father to the English throne after fourteen years of wandering, he promptly enacted a vengeful punishment on those who had spurned his family, with his brother James firmly in his shadow. A tale of love and endurance, of battles and flight, of educations disrupted, the lonely death of a young princess and the wearisome experience of exile, Royal Renegades charts the fascinating story of the children of loving parents who could not protect them from the consequences of their own failings as monarchs and the forces of upheaval sweeping England.

eventually succeeded his father to the English throne after fourteen years of wandering, he promptly enacted a vengeful punishment on those who had spurned his family, with his brother James firmly in his shadow. A tale of love and endurance, of battles and flight, of educations disrupted, the lonely death of a young princess and the wearisome experience of exile, *Royal Renegades* charts the fascinating story of the children of loving parents who could not protect them from the consequences of their own failings as monarchs and the forces of upheaval sweeping England.

A *Renegade Royals* novella that's "an intriguing tale of love and mystery . . . A witty, endearing historical romance" by the USA Today-bestselling author (Romance Junkies). He's the man behind the mission to track down the illegitimate children of England's Royal Princes and help them get their due. But his deepest desire is far more personal . . . Magnificent and stubborn. Fourteen years apart had not changed Chloe Steele, or Dominic Hunter's love for her. He'd been a street urchin, a boy raised at court, and finally a magistrate, yet he'd never belonged anywhere—except by her side. Now Chloe devoted herself to girls threatened by scandal—like she had been. But she was in danger, and Dominic was determined to help—and hopefully make up for lost time . . . Even in childhood, Dominic had made Chloe feel safe. Now she also felt thrillingly flustered by the powerful man he'd become, and by the longing he inspired. Because Dominic meant not only to protect her, but to untangle the lies that had separated them. Yet for Chloe, surrendering to temptation may be easier than risking a future that could ruin them both . . . "What a love story! Touching, tender, and until the very end you are left guessing as to what will happen. Were Ms. Kelly to write the whole story in one book, it could definitely be considered a modern classic! Although a novella, *Tall, Dark and Royal* could well be the most beautiful book of the year!" —*Fresh Fiction*

After an English spy saves a beautiful noble from danger, he needs rescuing from his desires in this Regency romance by a USA Today—bestselling author. Meet the *Renegade Royals*, illegitimate sons of the Royal Princes who are finding their rightful places in society—Accomplished spy Aden St. George prefers to stay away from the frivolous ton, especially after the way his mother was used by the Prince Regent. But his latest mission compels him to guard unconventional, vibrant Lady Vivien Shaw. Rescuing her from kidnappers was easy. Resisting her beauty is not. Duty demands he keep an eye on her—and naturally, his lips soon follow. For someone who views entanglements as a weakness, this is pure, delicious folly—Though grateful for Aden's help, Vivien has secrets she must keep hidden. Yet with her abductors still at large, she needs Aden's protection almost as much as she craves his touch— "Full of intrigue, emotion and sensuality."—Katharine Ashe, USA Today—bestselling author "If the remainder of Kelly's *Renegade Royals* series is as arresting and entertaining as this kickoff, then Regency romance fans are in for a royal treat". Kelly—combines diverting dialogue, delightful surprises, and finely tuned pacing to make this a winner.—*Publishers Weekly*

According to the great diarist, John Evelyn, Charles II was "addicted to women", and throughout his long reign a great many succumbed to his charms. Clever, urbane and handsome, Charles presided over a hedonistic court, in which licence and licentiousness prevailed. *Mistresses* is the story of the women who shared Charles's bed, each of whom wielded influence on both the politics and cultural life of the country. From the young king-in-exile's first mistress and mother to his first child, Lucy Walter, to the promiscuous and ill-tempered courtier, Barbara Villiers. From Frances Teresa Stuart, "the prettiest girl in the world" to history's most famous orange-seller, "pretty, witty" Nell Gwynn and to her fellow-actress, Moll Davis, who bore the last of the king's fifteen illegitimate children. From Louise de K roualle, the French aristocrat and spy for Louis XIV to the sexually ambiguous Hortense Mancini. Here, too, is the forlorn and humiliated Queen Catherine, the Portuguese princess who was Charles's childless queen. Drawing on a wide variety of original sources, including material in private archives, Linda Porter paints a vivid picture of these women and of Restoration England, an era that was both glamorous and sordid.

From the New York Times bestselling author of *Hex Hall* comes the sparkling finale in the beloved *Rebel Belle* series. Just as Harper Price starts coming to terms with her role as David Stark's battle-ready Paladin, protector, and girlfriend her world goes crazy all over again. Overwhelmed by his Oracle powers, David flees Pine Grove and starts turning teenaged girls into Paladins and these young ladies seem to think that Harper is the enemy David needs protecting from. Ordinarily, Harper would be able to fight off any Paladin who comes her way, but her powers have been dwindling since David left town, which means her life is on the line yet again. Now, it's a desperate race for Harper to find and rescue David before she backslides from superhero to your garden-variety type-A belle. New York Times bestselling author Rachel Hawkins brings the fun once again in the finale of this pitch-perfect romantic paranormal comedy series.

Learn the rules to building loyal (and lucrative) digital followings *Renegades Write the Rules* reveals the innovative strategies behind the social media success of today's top celebrities, brands, and sports icons, and how you can follow their lead. Author Amy Jo Martin is the founder of Digital Royalty and the woman who pioneered how professional sports integrate social media. In this book she shows how to build a faithful following and beat the competition clamoring for people's attention by continually delivering value - when, where, and how people want it. People want to be heard, to be involved, to be entertained, to be adventurous, to be informed. Reveals the winning strategies for using social media to achieve dramatic results Shows how to gain influence with social media that requires an unprecedented (and potentially uncomfortable) level of accessibility and ongoing affinity Filled with illustrative examples of social media successes (including Dwayne 'The Rock' Johnson, Shaquille O'Neal, and Nike) that show how humanizing a brand through social media leads to monetization Explores how Amy Jo Martin and other successful entrepreneurs are becoming renegades by using social media to innovate their personal and professional lives The book reveals one of the basic

rules of digital mediasuccess: Humans connect with humans, not logos and creativetaglines.

Some men are born into scandal. Others pursue it with a passion. Griffin Steel, secret son of the duke of Cumberland, is guilty on both counts. Yet somehow London's most notorious scoundrel has been saddled with an abandoned baby boy - and with the unflappable, intriguing spinster summoned to nurse him. Justine Brightmore may be a viscount's niece, but she's also a spy's daughter, determined to safeguard the infant when his suspected royal parentage makes him a target. Yet how to protect herself from the rakish Griffin?

Mary Queen of Scots fervently believed she had a right to the English throne - a belief that cost her her head. A vivid account of why she came to this belief from an acclaimed Tudor historian. The struggle between the fecund Stewarts and the barren Tudors is generally seen only in terms of the relationship between Elizabeth I and her cousin, Mary Queen of Scots. But very little has been said about the background to their intense rivalry. Here, Linda Porter examines the ancient and intractable power struggle between England and Scotland, a struggle intensified during the reigns of Elizabeth and Mary's grandfathers. Henry VII aimed to provide stability when he married his daughter, Margaret, to James IV of Scotland in 1503. But he must also have known that Margaret's descendants might seek to rule the entire island. Crown of Thistles is the story of a divided family, of flamboyant kings and queens, cultured courts and tribal hatreds, blood feuds, rape and sexual licence on a breath-taking scale, and violent deaths. It also brings alive a neglected aspect of British history - the blood-spattered steps of two small countries on the fringes of Europe towards an awkward unity that would ultimately forge a great nation. Beginning with the unlikely and dramatic victories of two usurping kings, one a rank outsider and the other a fourteen-year-old boy who rebelled against his own father, the book sheds new light on Henry VIII, his daughter, Elizabeth, and on his great-niece, Mary Queen of Scots, still seductive more than 400 years after her death.
