Bless Me, Ultima, by Rudolfo Anaya, is an amazing coming of age story about a young boy named Antonio who is mentored by his loving cuaderna, Ultima. Anaya does an amazing job of portraying the loving and caring Ultima, who appears to readers as similar to the biblical figure of Mother Mary, through her knowledge and compassion for young Antonio.

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

Ultima, a curandera, one who cures with herbs and magic, comes to Antonio Marez's New Mexico family when he is six years old, and she helps him discover himself in the magical secrets of the pagan past.

Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico. As a one-year appointment at the Albuquerque campus evolved into a forty-year career, Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history's most enduring and elusive traits. The connections and consequences along the way forged a truly exceptional life and career. Szasz's interests, he insisted, were the "ideas of the people ... and how they shift over time." In an era when historical scholarship became increasingly specialized, he pursued an eclectic array of research interests and challenged his doctoral students to do the same. The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians.

In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era. Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the "Crack" in Mexico, and the McOndo generation in other parts of Latin America. An alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

This American Book Award winner by the author of *Bless Me, Ultima* is a novel of a New Mexico teenager 's journey of physical and spiritual recovery. When the story opens, the eponymous hero of Rudolfo Anaya 's novel is in an ambulance en route to a hospital for crippled children in the New Mexican desert. A poor boy from Albuquerque, sixteen-year-old Tortuga takes his name from the odd, turtle-shaped mountain that is rumored to possess miraculous curative powers. Tortuga is paralyzed, and not even his mother 's fervent prayers can heal him. But under the mountain 's watchful gaze, with the support of fellow patients, he begins the Herculean task of breaking out of his shell and becoming whole again. Drawn from personal experience and imbued with the magic realism and phantasmagorical vision quests that distinguish Anaya 's work, *Tortuga* is a joyful, life-sustaining book about hope, faith, friendship, and love that celebrates the triumph of the human spirit in the physical world.

Widely acclaimed as the founder of Chicano literature, Rudolfo Anaya is one of America 's most compelling and prolific authors. A recipient of a National Humanities Medal and best known for his debut novel, *Bless Me, Ultima*, his writings span multiple genres, from novels and essays to plays, poems, and children 's stories. Despite his prominence, critical studies of Anaya 's writings have appeared almost solely in journals, and the last book-length collection of essays on his work is now more than twenty-five years old. *The Forked Juniper* remedies this gap by offering new critical evaluations of Anaya 's ever-evolving artistry. Edited by distinguished Chicano studies scholar Roberto Cantú, *The Forked Juniper* presents thirteen essays written by U.S., Mexican, and German critics and academics. The essayists employ a range of critical methods in their analyses of such major works as *Bless Me, Ultima* (1972), *Jalamanta: A Message from the Desert* (1996), and the *Sonny Baca* narrative quartet (1995–2005). Through the lens of cultural studies, the essayists also discuss intriguing themes in Anaya 's writings, such as witchcraft in colonial New Mexico, the reconceptualization of Aztlán, and the aesthetics of the New World Baroque. The volume concludes with an interview with renowned filmmaker David Ellis, who produced the 2014 film *Rudolfo Anaya: The Magic of Words*. The symbol of the forked juniper tree—venerated as an emblem of healing and peace in some spiritual traditions and a compelling image in *Bless Me, Ultima*—is open to multiple interpretations. It echoes the manifold meanings the contributors to this volume reveal in Anaya 's boundlessly imaginative literature. *The Forked Juniper* illuminates both the artistry of Anaya 's writings and the culture, history, and diverse religious traditions of his beloved Nuevo Mexico. It is an essential reference for any reader seeking greater understanding of Anaya 's world-embracing work.
