By the time the battle commenced, Confederate General John Bell Hood had a mangled wreck of an army with less than 30,000 men (Bobrick falsely puts the number at 45,000) against Thomas' 55,000. Furthermore, Hood's army leadership was decimated at the Battle of Franklin, where it lost 6 generals killed, 1 captured, and 7 wounded.

The Patton Museum Foundation is committed to preserving General Patton's legacy and inspiring future leaders for generations to come. Thanks to your generous support, we are able to ensure the longevity of the museum and the stories it holds.

In this revelatory, dynamic biography, one of our finest historians, Benson Bobrick, profiles George H. Thomas, arguing that he was the greatest and most successful general of the Civil War. Because Thomas didn't live to write his memoirs, his reputation has been largely shaped by others, most notably Ulysses S. Grant and William

## Download Free The Life Of General George Monck For

King And Sherman, two generals with whom Thomas served and who, Bobrick says, diminished his successes in their favor in their own memoirs. Born in Virginia, Thomas survived Nat Turner's rebellion as a boy, then studied at West Point, where Sherman was a classmate. Thomas distinguished himself in the Mexican War and then returned to West Point as an instructor. When the Civil War broke out, Thomas remained loyal to the Union, unlike fellow Virginia-born officer Robert E. Lee (among others). He compiled an outstanding record as an officer in battles at Mill Springs, Perryville, and Stones River. At the Battle of Chickamauga, Thomas, at the time a corps commander, held the center of

## Download Free The Life Of General George Monck For

the Union line under a ferocious assault, then rallied the troops on Horseshoe Ridge to prevent a Confederate rout of the Union army. His extraordinary performance there earned him the nickname "The Rock of Chickamauga." Promoted to command of the Army of the Cumberland, he led his army in a stunning Union victory at the Battle of Chattanooga. Thomas supported Sherman on his march through Georgia in the spring of 1864, winning an important victory at the Battle of Peachtree Creek. As Sherman continued on his March to the Sea, Thomas returned to Tennessee and in the battle of Nashville destroyed the army of Confederate General John Bell Hood. It was one of the most

## Download Free The Life Of General George Monck For

decisive victories of the war, and Thomas won it even as Grant was on his way to remove Thomas from his command. (When Grant discovered the magnitude of Thomas's victory, he quickly changed his mind.) Thomas died of a stroke in 1870 while still on active duty. In the entire Civil War, he never lost a battle or a movement. Throughout his career, Thomas was methodical and careful, and always prepared. Unlike Grant at Shiloh, he was never surprised by an enemy. Unlike Sherman, he never panicked in battle but always remained calm and focused. He was derided by both men as "Slow Trot Thomas," but as Bobrick shows in this brilliant biography, he was quick to

## Download Free The Life Of General George Monck For

analyze every situation and always knew what to do and when to do it. He was not colorful like Grant and Sherman, but he was widely admired by his peers, and some, such as Grant's favorite cavalry commander, General James H. Wilson, thought Thomas the peer of any general in either army. He was the only Union commander to destroy two Confederate armies in the field. Although historians of the Civil War have always regarded Thomas highly, he has never captured the public imagination, perhaps because he has lacked an outstanding biographer -- until now. This informed, judicious, and lucid biography at last gives Thomas his due.

## Download Free The Life Of General George Monck For

"The Custer literature is voluminous and most of it is highly controversial. Through the tangle of charges and countercharges Jay Monaghan cuts a clear path in his fresh account of Custer's whole career. Where possible, Monaghan relies on original sources, and he appraises them with the sound judgment of the practiced historian he is. He is sympathetic with Custer but does not hesitate to show the man's foibles and failures. He presents no attorney's brief and yet he disproves a number of ill-founded accusations. . . ."

"The most comprehensive and authoritative study of Washington's military career ever

## Download Free The Life Of General George Monck For

Written.” –Joseph J. Ellis, author of His Excellency: George Washington Based largely on George Washington’s personal papers, this engrossing book paints a vivid, factual portrait of Washington the soldier. An expert in military history, Edward Lengel demonstrates that the “secret” to Washington’s excellence lay in his completeness, in how he united the military, political, and personal skills necessary to lead a nation in war and peace. Despite being an “imperfect commander” –and at times even a tactically suspect one – Washington nevertheless possessed the requisite combination of vision, integrity, talents, and good fortune to lead America to victory in its war for

independence. At once informative and engaging, and filled with some eye-opening revelations about Washington, the American Revolution, and the very nature of military command, General George Washington is a book that reintroduces readers to a figure many think they already know. "The book's balanced assessment of Washington is satisfying and thought-provoking. Lengel gives us a believable Washington . . . the most admired man of his generation by far." -The Washington Post Book World "A compelling picture of a man who was 'the archetypal American soldier' . . . The sum of his parts was the greatness of Washington." -The Boston Globe "[An] excellent book . . . fresh

King And Charles II distravts attention from his extraordinary career as a soldier and general, admiral, governor and administrator. During the confused, often bloody, era of the English Civil Wars and the Portectorate he was one of the great survivors. Peter Reese, in this perceptive new study, follows Monck through his long, varied career, from his impoverished upbringing in the West Country and his military apprenticeship on the Continent, to his experience as a commander on both sides during the civil wars. He distinguished himself on the battlefields of Ireland and Scotland, and as a general-at-sea for both Cromwell and Charles II. AUTHOR Peter Reese is well

King and Cromwell Union army, he led his troops against Jackson in the Valley Campaign, at Antietam and at the Siege of Charleston. Join historian Frederic A. Wallace as he recounts the largely untold story of General George H. Gordon, Framingham's favorite son, with personal diary entries and letters that reveal a man of integrity and honor whose actions displayed an outright love for his country.

The man who gave his name to the greatest failed frontal attack in American military history, George E. Pickett is among the most famous Confederate generals of the Civil War. But even today he remains

## Download Free The Life Of General George Monck For

King And General! imperfectly understood, a figure shrouded in Lost Cause mythology. In this carefully researched biography, Lesley Gordon moves beyond earlier studies of Pickett. By investigating the central role played by his wife LaSalle in controlling his historical image, Gordon illuminates Pickett's legend as well as his life. After exploring Pickett's prewar life as a professional army officer trained at West Point, battle-tested in Mexico, and seasoned on the western frontier, Gordon traces his return to the South in 1861 to fight for the Confederacy. She examines his experiences during the Civil War, including the famed, but failed, charge at the battle of Gettysburg, and charts

## Download Free The Life Of General George Monck For

the decline in his career that followed. Gordon also looks at Pickett's marriage in 1863 to LaSalle Corbell, like him a child of the Virginia planter elite. Though their life together lasted only twelve years, LaSalle spent her five decades of widowhood writing and speaking about her husband and his military career. Appointing herself Pickett's official biographer, she became a self-proclaimed authority on the war and the Old South. In fact, says Gordon, LaSalle carefully and deliberately created a favorable image of her husband that was at odds with the man she had married.
