PORCHLIGHT BUSINESS BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL From the New York Times bestselling author of *The Other Wes Moore*, a kaleidoscopic account of five days in the life of a city on the edge, told through eight characters on the front lines of the uprising that overtook Baltimore and riveted the world. When Freddie Gray was arrested for possessing an “ illegal knife ” in April 2015, he was, by eyewitness accounts that video evidence later confirmed, treated “ roughly ” as police loaded him into a vehicle. By the end of his trip in the police van, Gray was in a coma from which he would never recover. In the wake of a long history of police abuse in Baltimore, this killing felt like the final straw—it led to a week of protests, then five days described alternately as a riot or an uprising that set the entire city on edge and caught the nation's attention. Wes Moore is a Rhodes Scholar,

bestselling author, decorated combat veteran, former White House fellow, and CEO of Robin Hood, one of the largest anti-poverty nonprofits in the nation. While attending Gray ' s funeral, he saw every stratum of the city come together: grieving mothers, members of the city ' s wealthy elite, activists, and the long-suffering citizens of Baltimore—all looking to comfort one another, but also looking for answers. He knew that when they left the church, these factions would spread out to their own corners, but that the answers they were all looking for could be found only in the city as a whole. Moore—along with journalist Erica Green—tells the story of the Baltimore uprising both through his own observations and through the eyes of other Baltimoreans: Partee, a conflicted black captain of the Baltimore Police Department; Jenny, a young white public defender who ' s drawn into the violent center of the uprising herself; Tawanda, a young black

woman who ' d spent a lonely year protesting the killing of her own brother by police; and John Angelos, scion of the city ' s most powerful family and executive vice president of the Baltimore Orioles, who had to make choices of conscience he ' d never before confronted. Each shifting point of view contributes to an engrossing, cacophonous account of one of the most consequential moments in our recent history, which is also an essential cri de coeur about the deeper causes of the violence and the small seeds of hope planted in its aftermath.

how one young man traced a path through the world to find his life ' s purpose. Wes Moore graduated from a difficult childhood in the Bronx and Baltimore to an adult life that would find him at some of the most critical moments in our recent history: as a combat officer in Afghanistan; a White House fellow in a time of wars abroad and disasters at home; and a Wall Street banker during the financial crisis. In this insightful book, Moore shares the lessons he learned from people he met along the way—from the brave Afghan translator who taught him to find his fight, to the resilient young students in Katrina-ravaged Mississippi who showed him the true meaning of grit, to his late grandfather, who taught him to find grace in service. Moore also tells the stories of other twenty-first-century change-makers who ' ve inspired him in his search, from Daniel Lubetzky, the founder of KIND, to Esther Benjamin, a Sri Lankan immigrant who rose to help
